Dear Tett,

I heard you were at ANA and picked up a 264, but I didn't get a chance to see and talk with you.

How is your collection coming? Do you have a revised want list by Gilbert (cmm) and Sheldon no?

Did you ever acquire the beautiful 5-12B you showed us in New Orleans?

I got an 1804 G-11 (cmm-5) attributed from a friend here. Since I don't really collect ½ cents, I thought I'd offer it to you. It grades VF-20 to 25 as you can see by the pressing I've enclosed. The price is $125. if you need it.

How's the poetry coming? We really got a kick out of the poem you wrote for F-W. My wife has read it to the wives of several of my coin friends.

All for now

Take care,

Gordon

Dear Gordon:

How nice to hear from you! And I am so pleased that you remembered my interest in error half cents.

Please continue to keep me in mind even for specimens which are not nearly as clean and lovely as the 1794 you sent me. Anything from Fair-2 on up is welcome.

I hope you have a good Christmas and a happy and prosperous 1985!

Sincerely,

R. Tettenhorst
